

NEW IN 2022!

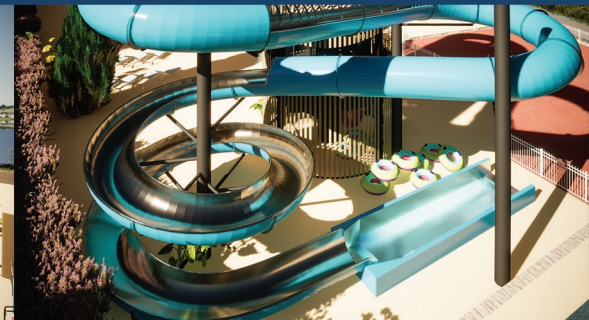

New "Iron Jungle Slide"

**100%
french**

From 2022, discover the new water park slide at Camping de l'Arche! This **100% French** slide, made to measure by the "**Compagnons du devoir**", has a glide length of 100 meters. For more sensations, you will slide down with a buoy!

**100%
recyclable**

In addition to being of French origin, the "Iron Jungle Slide" is an **eco-responsible** water game. It is the first water slide in France created in **stainless steel**, and is therefore **100% recyclable** unlike the slides usually created in fiberglass.

**Opening
in 2022**

The slide and the water park, will be **accessible as soon as the campsite opens in 2022**. The water for the slides and the swimming pool is heated to allow you to fully enjoy your stay whatever the temperature. In addition, the indoor swimming pool and the Spa remain open out of season.

**Natural
design**

Its **green design** blends in perfectly with the landscape and **respects the environment**. The arrangement of plants on the tower keeps the air fresh on hot summer days and offers a breathtaking view of the surroundings for a **more pleasant** waiting.

See you in 2022 to discover the "Iron Jungle Slide" !
